Desk Drop

FOR EMERGING SNACK AND DRINK BRANDS

Prepared for Jordan Lee, Co-founder and CEO, Brightside Snacks

500 units into 10 New York offices in one week, within walking distance of the stores that carry you, with photos, feedback and a report.

Trial here, buy there, measured. We place your product in offices that signed up to receive it, around Flatiron, NoMad and Union Square, and report back exactly what happened.

ROSTER TODAY 5 founding offices signed in Flatiron, NoMad and Union Square, about 450 people on a Tuesday; next drop Tue 2027-01-12, two founding places left

What a campaign includes

- 5 offices (founding) or 10 (standard) in one walkable cluster. No other brand in your category in the drop.
- About 50 units per office, sized to Tuesday headcount, plus a 10% reserve for top-ups.
- On the shelf within one business day, at eye level where the pantry allows, with a display card: your two sentences, your allergen statement word for word, and a QR code per office.
- Five business days, starting on a Tuesday or Wednesday.
- Two photos per office: placement on day 1, a close shot on day 3 or 5.
- A three-question anonymous survey; each office commits to five or more responses.
- A one-page report within seven business days, and a 20-minute debrief.

PRICE

$600	**Founding: 5 offices** ($120 each), our first three brands only. Paid in full within five business days of our invoice. Your next two campaigns: $120 per office, up to 10 offices.
$1,500	**Standard: 10 offices** ($150 each). 50% on signing, 50% on our placement confirmation.
$150	**Each extra office**, same terms. No free pilots: the founding price is the trial.

What we never promise: sales, lift or new customers. We report what happened, rung by rung, and say what we could not measure.

What we count, and what we don't

DELIVERED	PLACED	DEPLETED	RESPONDED	SCANNED	PURCHASED	INCREMENTAL
Counted at handoff.	In the day-1 photo, card in view.	Gone by day 5, from photos.	Anonymous three-question survey.	One QR per office.	Your code's redemptions, to day 30.	Not measured. Said in writing.

Each rung is reported on its own. We never call a scan a sale, and we do not claim lift.

You fit if all seven are true

- ✓ Individually packaged, sealed, shelf-stable, with 60 or more days of shelf life at delivery.
- ✓ Labeled with ingredients and the nine major allergens.
- ✓ In a store inside or within ten blocks of the cluster, or online with a discount code.
- ✓ Can ship 275 units to one Manhattan address within ten business days.
- ✓ Carries product liability insurance.
- ✓ The person we talk to can approve $600 alone.
- ✓ A reason to want New York trial now: a new store, a launch, a local push.

You send

- The product plus 10% reserve, freight prepaid, to one Manhattan address.
- An ingredient and allergen sheet.
- A product liability certificate, $1M or more, adding us as additional insured.
- A discount code or landing page for the QR.
- Your logo, and two sentences for the card.

Not for: Alcohol, cannabis or CBD, supplements, anything refrigerated or needing preparation, or products that make health claims.

Next step: a 20-minute call about your timing and the offices on the next route.
