Re: Claim No. PSM-26-004417
Policy No. BOP-4418820
Date of loss: January 24, 2026 (water damage, Fishers clinic)

Dear Mr. Ferreira:

We have completed our inspection of the water damage at your Fishers clinic. Coverage for the sudden and accidental discharge from the frozen supply line is confirmed under the building and business personal property coverage of your policy.

On receipt of the final repair invoices and a signed sworn proof of loss, we will issue payment of the covered amount less the \$10,000 deductible. Based on the invoices submitted to date (Circle City Restoration, \$24,600.00; Hamilton County Flooring & Drywall, \$17,250.00), the covered amount is \$41,850.00 and the estimated payment is \$31,850.00.

Your business income coverage has a 72-hour waiting period. Please send documentation of any lost income if you intend to present a business income claim.

The claim remains open.

Sincerely,

/s/ Dale Hruska
