**Re: In re Receivership of Midstate Employer Health Network, LLC
Hamilton Superior Court, Cause No. 29D01-2509-MI-004418**

To all known creditors:

On September 22, 2025 the Court appointed Whitaker Receivership Services, LLC as receiver for Midstate Employer Health Network, LLC ("Midstate"), which ceased operations on September 19, 2025. Midstate's records list your company as an unsecured creditor.

Based on our preliminary review, Midstate's secured lender is owed more than the estimated value of its assets, and unsecured creditors are unlikely to receive any distribution. Claims must be submitted on the enclosed form by December 15, 2025.

Sincerely,

WHITAKER RECEIVERSHIP SERVICES, LLC
