When the route is done

If someone other than the founder ran it (whoever visited the first-drop offices): today, send the photos and this sheet, every count and time filled in, to [FOUNDER NAME] at [PHONE]. Keep no copy: this sheet holds people's names and phone numbers. Shred any spare.

Founder, the same day

1. Tracker, stops tab: arrival, departure, handed to, outcome for every stop.
2. Inventory tab: one *delivered* row per office per brand with the count and who counted.
3. Photos: save as <campaign_id>_<office_id>_placement_<date>.jpg; one row each on the photos tab; the shelf count on the counts tab.
4. Issues tab: anything on this sheet's Issue lines. Hours tab: drop_day hours.
5. Tomorrow (T+1): placement confirmation to each brand (tools/make_messages.py).
6. Shred the printed sheets once their counts are in the tracker.
