Re: Engagement Letter - Dawson v. Meridian Mechanical Services, LLC
Hillsborough County Circuit Court Case No. 24-CA-008815
Client-Matter No. 20417-2291

Dear Rick:

This letter confirms that Hollis & Crane LLP will represent Meridian Mechanical Services, LLC (the "Company") in the lawsuit filed by Carla Dawson, a residential customer, alleging property damage from a water heater failure following a 2023 installation by the Company. We have opened this engagement as Matter 2291 (Dawson v. Meridian), separate from our general corporate retainer under Matter 1004.

Scope

Our engagement is limited to the defense of this action through final resolution, whether by dismissal, settlement or judgment, including any mediation. It does not include appeals or unrelated employment matters, which remain under Matter 1004.

Fees and Billing

Litigation services will be billed monthly at our standard hourly rates (\$525 partner, \$325 associate, \$175 paralegal), plus out-of-pocket costs such as court reporter, filing and mediator fees. No retainer deposit is required.

The Company has tendered the claim to its commercial general liability insurer, Coastal Risk Insurance. Defense costs fall within the Company's \$100,000 self-insured retention and are the Company's responsibility; the insurer has agreed to fund any settlement within policy limits.

Conclusion of the Engagement

Our representation in Matter 2291 will end when the action is finally resolved. We do not expect further fees after resolution other than for settlement documentation and closing the file.

Very truly yours,

HOLLIS & CRANE LLP
