Borrower: Meridian Mechanical Services, LLC

Dear Ms. Raman:

As requested, the following amounts are required to repay Term Loan No. 4410-2203 in full on June 27, 2025 (the "Payoff Date"):

Item	Amount
Outstanding principal balance	2,140,000.00
Accrued interest through June 26, 2025	9,870.00
Prepayment premium (Section 2.6 of the Term Loan Agreement)	13,000.00
Lien release and recording fees	125.00
Total payoff amount	2,162,995.00

Per diem interest after the Payoff Date is \$297.22. The prepayment premium applies because the loan is being repaid before the third anniversary of its funding date.

Upon receipt of the payoff amount in immediately available funds, the Bank will release its liens and terminate the related UCC financing statements.

Sincerely,

GULFSTREAM BANK, N.A.
