Re: Market pay benchmark - Chief Executive Officer, Tidewell Distribution Group, LLC

Dear Grant:

You asked us to benchmark market compensation for the Chief Executive Officer of Tidewell Distribution Group, LLC, a Savannah-based distributor of foodservice packaging and janitorial supplies with expected fiscal 2026 revenue of about \$76 million. We were engaged and paid by Saltmarsh Equity Partners and have no relationship with the Company or its owner.

Peer group and data

Our peer group is 23 privately held wholesale distributors headquartered in the Southeast with revenue of \$50 to \$100 million, drawn from our 2025 Distribution Executive Pay Survey (412 participating companies). Data are aged to January 1, 2026.

CEO pay element	25th pct	50th pct	75th pct
Base salary	\$262,000	\$298,000	\$341,000
Target annual bonus (% of base)	15%	20%	30%
Total target cash compensation	\$305,000	\$358,000	\$436,000

The peer group shows a 50th percentile total target cash compensation of \$358,000. The proposed package of a \$300,000 base salary and a 20% target bonus, \$360,000 of total target cash compensation is within the competitive range and sits at the market median.

Owner-CEOs of private distributors are commonly paid above market as a substitute for distributions; our figures reflect professional CEOs without an ownership stake.

Sincerely,
/s/ Renee Holloway, CCP
